SRVGS "Surname and Locality Search" File

Because our members are searching a wide variety of surnames, states and countries, we hope this file will enable members searching in the same areas to share research information and techniques. The file is divided into two sections. The first is an alphabetical list of our members with their personal code, and the second lists the surnames and localities being searched. Please PRINT the following information and return it with your Membership/Renewal application. Thank you.

	<u>Surname</u>	<u>State / County / Country</u>	<u>Dates</u>
